

The Give and Get

Throughout the event a “Give and Get” asset mapping activity was continuously populated by participants in the room based on their conventions about possible collaborations. Below are the resources shared and requested.

Definitions:

The Give: *What can you and your organization do or contribute toward improving PN-3 advocacy?*

The Get: *What do you and your organization need or hope to get from NCIT partners (including other state advocates present) that will support PN-3 advocacy?*

Policy Research & Data Collection
